## Bring On The Heat

---

Your EverRest Extreme Comfort® Air Conditioning System is built with the best quality materials and is designed to give you years of dependable service... no matter how hot the weather! It all starts with a high-performance, energy-efficient compressor, (*many units come with high efficiency scroll compressors*) which operates in tandem with our high-efficiency coil. The coil is made of rifled refrigeration-grade copper tubing and corrugated aluminum fins in a design that maximizes surface area. And every EverRest Air Conditioner comes with a liquid-line filter dryer to help prevent moisture and debris from entering the compressor. Together, these high-quality components cool your home effectively while saving you money on your energy bills!

13·14·16  
SEER

---

## Quiet Comfort

---

Every EverRest Extreme Comfort Air Conditioner is built with sound-dampening features that help ensure that your cooling system doesn't interfere with a good night's sleep. It all starts with a quiet condenser fan system – a three-bladed fan, and a unique louvered sound-control top – to reduce fan-related noise. Add some sound deadening insulation and your EverRest Extreme Comfort Energy-Efficient Air Conditioner will keep you cool and comfortable and able to hear the birds happily chirping outside your window!

---

## Good For Your Home.

---

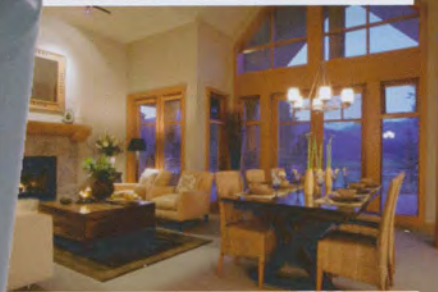

Your new EverRest energy efficient air conditioner can not only provide money saving cooling performance, which is good for *your* home -- but is charged with R-410A refrigerant, which is good for *our* home... Earth. R-410A does not contain

*"The Peak of Home Comfort"*

R-410A

## Efficiency Defined

Your EverRest Extreme Comfort Air Conditioning System is designed for high-efficiency performance. SEER stands for Seasonal Energy Efficiency Ratio, a measure used by the U.S. Department of Energy to rate the efficiency of air conditioners and heat pumps. The higher the SEER, the greater the efficiency and the lower the operating costs. Compared to the 10 SEER units found in many homes, an energy efficient 13, 14 or 16 SEER EverRest Extreme Comfort air conditioner can provide significant savings on your electric bill.

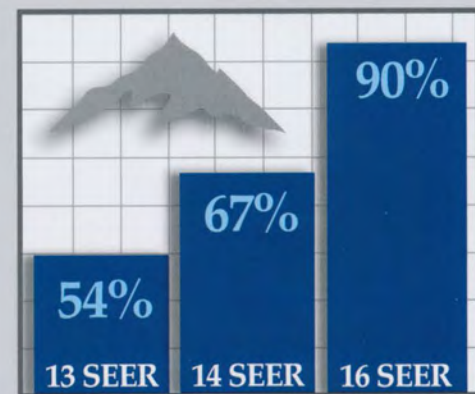

## Working Hard. Saving Money.

### Good For Our Home.

chlorine, and is specifically designed not to harm Earth's ozone layer. R-410A is approved for use in residential cooling systems by the U.S Environmental Protection Agency and is available in all EverRest Extreme Comfort air conditioning units.

If your current air conditioner is 10 to 15 years old, the actual efficiency rating could have decreased by 16% to 20%. Even if you had a 10 seer unit a 16% decrease would lower the efficiency to an 8.4 seer. This means a new high efficiency 16 seer air conditioner could deliver a 90%\* improvement in efficiency, which would basically cut your cooling cost in half.

\* (16 seer - 8.4 seer) / 8.4 seer results in a 90% improvement in efficiency.

Potential Efficiency Improvement

# EverRest Extreme Comfort® Air Conditioners

## 13 SEER R-410A

### Features

- Environmentally-friendly R-410A refrigerant
- Factory-installed in-line filter dryer, for longer system life
- A high-performance, high-efficiency scroll compressor
- An 8-Pole, 850 RPM motor, 3-blade fan and unique louvered sound-control top
- Louvered cabinet made of heavy-gauge galvanized steel
- High-efficiency condenser coil with corrugated aluminum fins
- Architectural Gray finish to complement any home
- Durable appliance quality finish
- Easy access design for ease of service

### Warranties

- 10-Year Parts Limited Warranty

## 14 SEER R-410A

### Features

- A high-performance, high-efficiency scroll compressor
- Environmentally-friendly R-410A refrigerant
- Factory-installed in-line filter dryer, for longer system life
- An 8-Pole, 850 RPM motor, 3-blade fan and unique louvered sound-control top and compressor sound blanket
- Louvered cabinet made of heavy-gauge galvanized steel
- High-efficiency condenser coil with corrugated aluminum fins
- Architectural Gray finish to complement any home
- Durable appliance quality finish
- Easy access design for ease of service

### Warranties

- Lifetime Compressor Limited Warranty
- 10-Year Parts Limited Warranty

## 16 SEER R-410A

### Features

- A high-performance, high-efficiency Copeland scroll compressor
- Environmentally-friendly R-410A refrigerant
- Factory-installed in-line filter dryer, for longer system life
- An 8-Pole, 850 RPM motor, 3-blade fan and unique louvered sound-control top and compressor sound blanket
- Louvered cabinet made of heavy-gauge galvanized steel
- High-efficiency condenser coil with corrugated aluminum fins
- Architectural Gray finish to complement any home
- Durable appliance quality finish

## *A Tremendous Advantage When Purchasing an EverRest Extreme Comfort® System...*

---

It's installed by an EverRest ExtremeCare® Performance Dealer. You can purchase the best equipment in the world but if it isn't installed properly it can cost more to operate than that old worn out system you replace. Over the life of a new air conditioning and heating system

an inferior installation could, in fact, cause you to sacrifice over \$5,000 in utility savings that might have been realized with an installation from an ExtremeCare® Performance Dealer. And this doesn't even take into account how a poor installation can reduce the life of your new system, reduce the comfort and performance and cause unnecessary breakdowns.

ExtremeCare® Performance Dealers have been trained to address these areas when installing your new system:

- *Maximizing Comfort* • *Minimizing Operating Cost* • *Safe Operation*
- *Healthier Indoor Air* • *Quiet System Performance*

---

## *EverRest Extreme Comfort® Air Conditioners. Guaranteed Performance For Your Home.*

---

The compressor in many new EverRest Extreme Comfort® Air Conditioning systems is covered by a Limited Lifetime Warranty. If the compressor should ever fail, a new one will be provided to the original purchaser of the EverRest air conditioning system as long as they live in the same single-family residence...*Guaranteed!* (Certain terms apply.

Talk to your local EverRest Dealer for all the details). All other parts to your new EverRest Extreme Comfort Air Conditioning unit are warranted for 10 full years from the date of installation...*Guaranteed!*

## Only The Best Dealers.

EverRest Extreme Comfort® home comfort systems are also installed by some of the best dealers in the country when it comes to installation procedures, product knowledge, and service after-the-sale.

EverRest dealers are hand picked, trained, and committed to giving each customer a super high quality product, a highly professional installation, "over-the-top" service and performance guarantees.

EverRest's history of quality stands way above the pack. Our equipment success rate is among the highest in the industry. Great equipment, great dealers and tip-top warranties... it makes the choice easy...EverRest!
